- 2 Write two contrasting descriptive pieces (300–450 words each): the first about a beautiful remote beach; and the second about the same beach, ten years later, after it has been developed for tourism. In your writing, create a sense of atmosphere and place.
- 3 Write a descriptive piece called *Sunset over the city.* In your writing, create a sense of atmosphere and focus on colour, light and sound to help your reader imagine the scene.

Section B: Writing for an audience

- 4 In class, you have been discussing the importance of learning foreign languages. Write an article called *Let's Communicate*, which will be published in your school magazine. In your writing, create a sense of the benefits of being able to communicate in other languages.
- 5 A local newspaper recently published an article about plans to build a road directly through the middle of a large park in your city. Readers were invited to write letters to respond to this article. Write two contrasting letters (300–450 words each): one supporting the plans; and the other opposing them.
- 6 A film director has used your school building to make a film, in which some students had minor acting roles. The film director wants to give a speech to thank the staff and students at the school. Write the text for the speech. In your writing, focus on the ways in which the school and students contributed to the success of the film.
