

The total duration of this paper is 2 hours.

The first 30 minutes will be spent watching and making notes on the moving image extract.

After the 30 minutes of screening and note-making time, you should use 45 minutes to answer Section A before moving on to spend the last 45 minutes on Section B.

### Section A: Textual analysis and representation

You will be shown an extract from *Mr Robot* a total of four times. During the first screening, you should **not** make notes; during the second, third and fourth screenings there will be an opportunity to make notes and there will be gaps in between for further note-making. Your notes should be made in the answer booklet and ruled through after you have finished writing your answer.
