## Reference List – A Level Studies

# Cambridge International AS & A Level Psychology 9990

For examination in June and November 2021, 2022 and 2023.  
Also available for examination in March 2021, 2022 and 2023 for India only.

At A Level, the original studies are referenced for teachers but it is not necessary for candidates to study the original publication. An overview or general summary of each study is sufficient.

The textbooks available to accompany this syllabus provide an overview/summary of all the required content, at the appropriate level of detail, and are highly recommended.

This document contains the references in full, for information only, as only the author and original year of publication are listed in the syllabus. In some cases, a more recent or more accessible version of the original study or source is listed here than in the syllabus, and in many cases alternative sources will be possible for the same material.
