

## **CAMBRIDGE IGCSE GLOBAL PERSPECTIVES**

### **Websites Resource List**

The aim of this list is to provide some indication as to where online resources are available to assist schools in the teaching and resourcing of Cambridge IGCSE Global Perspectives.

Please note:

- Many of the sites which have been included may include resources and ideas for more than one of the Topics.
- The content of internet websites is dynamic and constantly changing. Whilst we have taken appropriate steps to try to ensure the sites listed are appropriate, we accept no responsibility for the content of any of the sites included in this list. Schools are strongly advised to check each site for content and accessibility prior to using it with students.
- University of Cambridge International Examinations will endeavour to update this list regularly and welcomes up-to-date additions and suggestions from schools teaching Cambridge IGCSE Global Perspectives.
